

GROWING THE CHURCH IN THE POWER OF THE HOLY SPIRIT

Taste and See Retreat

Grand Haven, MI
Sunday-Tuesday
December 5-7, 2021

For many ministry leaders this past year has been especially challenging. It's time for renewed hope. We invite you to the shores of beautiful Lake Michigan for retreat, refreshment, healing, restoration, and biblical instruction.

Our two-day "Growing the Church in the Power of the Holy Spirit: Taste and See" event creates space to allow Jesus to minister to your weary soul. You will explore with other church leaders how Jesus grows His church through a divine-human dance of cooperation.

You will come away refreshed and equipped with renewed confidence in how Jesus Christ is working through His Church to advance the Kingdom of God!

Join other pastors and church leaders on the shores of beautiful Lake Michigan for this two-day event.

December 5-7, 2021
